Which Roller Door is right for you?
Let us help you find the right answer.

Over the next few pages you can learn about and decide on the features for your Roller Door. Select from our range of on-trend colours, discover our automation technology and decide on what upgrades you want for your B&D Roller Door.

Once you've made your decision you're just one quick step away from being ready to order your beautiful new B&D door. Just choose the automation options you would like. We recommend B&D Controll-A-Door® Power Drive® which has the power and technology to effortlessly operate your rolling door. When coupled with a genuine B&D Controll-A-Door® opener and registered online, your B&D Roll-A-Door® is eligible for our 10 Year Total Confidence Warranty (Now standard with Roll-A-Door Neo!).*

Visit www.bnd.com.au for full details

Feature colour
DOVER WHITE

Our revolutionary Roll-A-Door® Neo® (R1N) provides the convenience of a Roller Door with the look of our most popular sectional door. This is an exclusive look for Roll-A-Door® and combines years of research and testing to achieve a unique, winning formula. Roll-A-Door® Neo® comes standard with weatherseal and deep cushioning that helps to prevent the entry of water and leaves. Springs are tested to 30,000 open and close cycles. Each Roll-A-Door® Neo® comes with a B&D® Controll-A-Door® Power Drive® automatic opener.

Castellated Drum and Dual Roller

Only B&D's Roll-A-Door® R1N branded Roller Door have a unique castellated drum and mini-groove top sheet with curtain separator.

Effortless opening

All Roll-A-Door Neo® doors are complemented by our B&D Controll-A-Door Power Drive® automatic opener.

Neo® Profile:

When registered online your Neo® door is eligible for our 10 Year Total Confidence Warranty (visit www.bnd.com.au for full details)

Roll-A-Door. Deluxe

Single & double garage doors

Feature colour top
DOVER WHITE*
(R1D SINGLE GARAGE)
*A surcharge applies to this colour

Feature colour bottom
CLASSIC CREAM™
(R3W DOUBLE GARAGE)

Our best-selling Deluxe single and double doors have a Squareline minimal profile for a clean and contemporary look that suits a range of home styles along with springs that are tested to 30,000 open and close cycles. Both models come standard with a bottom Weatherseal that helps to prevent the entry of water and leaves as well as Nylofelt running strips, delivering quiet and smooth operation. Our double garage Deluxe model (R3W) has a 0.5mm Curtain thickness and our best-selling single garage door Deluxe model (R1D) now has the following optional extras: Lock Kit, D-Handle and Centre Lift Handle.

Castellated Drum and Dual Roller

Only B&D's Roll-A-Door® R1D and R1N branded Roller Doors have a unique castellated drum and mini-groove top sheet with curtain separator.

In conjunction with our dual roller, these features ensure consistent balance, and reduced chance of paint rub, friction and noise.

Deluxe® Profile:

Neo® Profile:

Roll-A-Door. Traditional

Double garage doors

Feature colour
SURFMIST
(R2L Double)

Traditional double garage doors feature a deeper, rounded and more rigid profile. This is particularly suitable for high usage applications and where an extra strong door is required. Our Traditional profile wideline door (R2W) has a 0.5mm thickness steel to add strength to the door, and also includes Weatherseal with deep cushioning that helps to prevent the entry of water and leaves. Springs are tested to 30,000 open and close cycles.

Our traditional low profile model R2L has a 0.4mm thick steel curtain and requires less headroom than our traditional wideline model R2W meaning it can fit into tighter spaces.

Smooth, quiet operation

Our Nylofelt running strips fitted on both sides of Roll-A-Door® deliver quiet operation day after day, year after year.

Traditional Profile:

When coupled with a genuine B&D® Controll-A-Door® opener and registered online your B&D® Roller Door is eligible for our 10 Year Total Confidence Warranty (Standard Roll-A-Door® and Rollmasta® warranties are 7 and 3 years respectively - visit www.bnd.com.au for full details).

When coupled with a genuine B&D® Controll-A-Door® opener and registered online your B&D® Roller Door is eligible for our 10 Year Total Confidence Warranty (Standard Roll-A-Door® and Rollmasta® warranties are 7 and 3 years respectively - visit www.bnd.com.au for full details).

Step 4: Select your automation

Australians have trusted B&D's garage door automation products for decades. Our latest B&D Power Drive builds on our rich heritage by combining smooth and reliable operation with a range of features that help protect your family and belongings.

Key Features

- Powerful yet quiet 600N motor
- Long lasting LED automatic courtesy lights
- Soft start and stop to reduce door stress
- 7 Year/20,000 Cycle warranty (up to 10 Years with the Total Confidence Warranty, only if purchased with an eligible B&D door)
- Smart Phone capable (optional upgrade)
- Uses our patented Tri-Tran+ remote control technology to provide extra protection against hacking and code grabbing devices.

B&D Power Drive includes: 2 x Tri-Tran+™ Premium Remote Controls and Wall Mount Remote Control.

Step 5: Choose your premium upgrades

Safety & Security

WIRELESS SAFETY BEAM

If you have young children or pets, safety beams provide added safety and security. If the beam is broken while the door is closing, it will automatically stop and reverse. B&D® always recommend the use of safety on all automatic garage doors. It is mandatory to have safety beams installed if the door has smart phone connectivity.

B&D CAMERA

Control and view who comes and goes with B&D's camera and smart phone App. By integrating a B&D camera with a B&D Smart phone control kit you can easily open the garage door, communicate with visitors and monitor your home.

HIGH WIND ROLL-A-DOOR®

Our High Wind Roll-A-Door® provides added strength, security and protection ensuring your door is held captive in the door track during high wind situations. Suitable for all applications, they are compliant with National Construction Code High Wind Requirements.

BRISTLE SEALS

Bristle Seals fill the gaps around the door, acting as an effective barrier against dust, sand or leaves entering the garage, creating a cleaner environment. This is particularly important when the garage is used as a living area. Bristle seals are not suitable for use as protection against bush fires.

*Subject to cellular and WIFI connection and availability. Note - Kit includes Smart Hub & accessories. Phone not included. 17 Year warranty on steel door curtain covers steel cracking and lock seam failure and associated labour. Warranty on surface coatings, locking mechanism and all other components is 12 months. Terms & Conditions apply. See website for details.

Smart Phone Control Kit

TECH tip

Have you ever left the house in the morning and thought, "Did I remember to close the garage door?". The kit allows you to monitor and control your garage door while you are at work or even on holidays from your compatible smart phone*.

It is available as an optional accessory with the opener.

*Phone not included

Unleash the power of your door with Smart Phone Control

CUSTOMISATION

The B&D® App can be customised to suit your lifestyle. From partial opening modes to restricting door access times, your protection and security is a priority.

ACTIVITY LOG

You can view usage history on the App so you know who has operated your garage door and when.

YOUR SILENT ALARM

The B&D® App features real time notifications alerting you whenever your door is operated, opened for an extended period of time or when your opener is in need of a service.

Warranties

As standard, **Roll-A-Door® and Rollmasta® warranties are 7 and 3 years respectively**. When coupled with a genuine B&D Control-A-Door® opener and registered online, your Roll-A-Door® or Rollmasta® door is eligible for our 10 Year Total Confidence Warranty*.

Neo® / Squareline® / Traditional

When registered online your Neo® door is eligible for our 10 Year Total Confidence Warranty

Rollmasta®
